Parents are then sent recommendations to support their children in the future .
------------------------	--	--------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

The school was presented with The GOLD School Games Mark Award at the end of the year we are on track to achieve this again in 2017/18.

Our progress is also monitored by the School Sports Partnership who we report and complete the Games Mark Award with at the end of the year.

CF has termly meetings with The sports partnership to ensure the school is aware of any changes to funding, reporting and also that the school is aware of any new opportunities in competitions, training, initiatives and sporting experiences, this is all included in our package price.
